

# POWERBAR

BY

RIGGING GEAR SALES, INC.

## **COST EFFECTIVE**

By reducing personnel required for load movement, as well as maintenance and material handling costs.

## **EASY TO OPERATE**

Allowing a single person to skid loads up to 4 tons.

## **POWERFUL**

Pushing power equivalent to a 15,000 lbs. forklift in a compact package.

## **MANEUVERABLE**

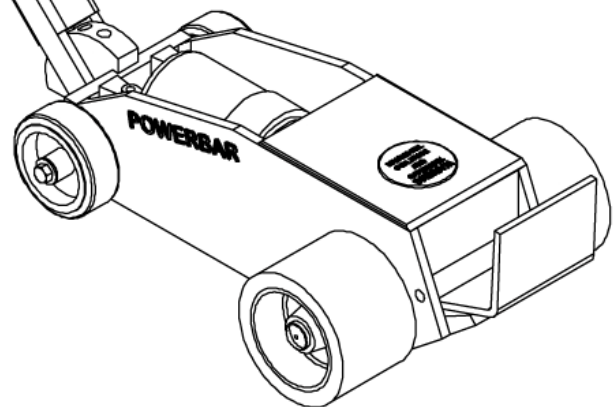

Its slender design makes handling problems in space restricted areas quick and easy.

## **ADAPTABLE**

The POWERBAR can be combined with most machinery moving dollies for precise movement of the heaviest loads.

## **LOW MAINTENANCE**

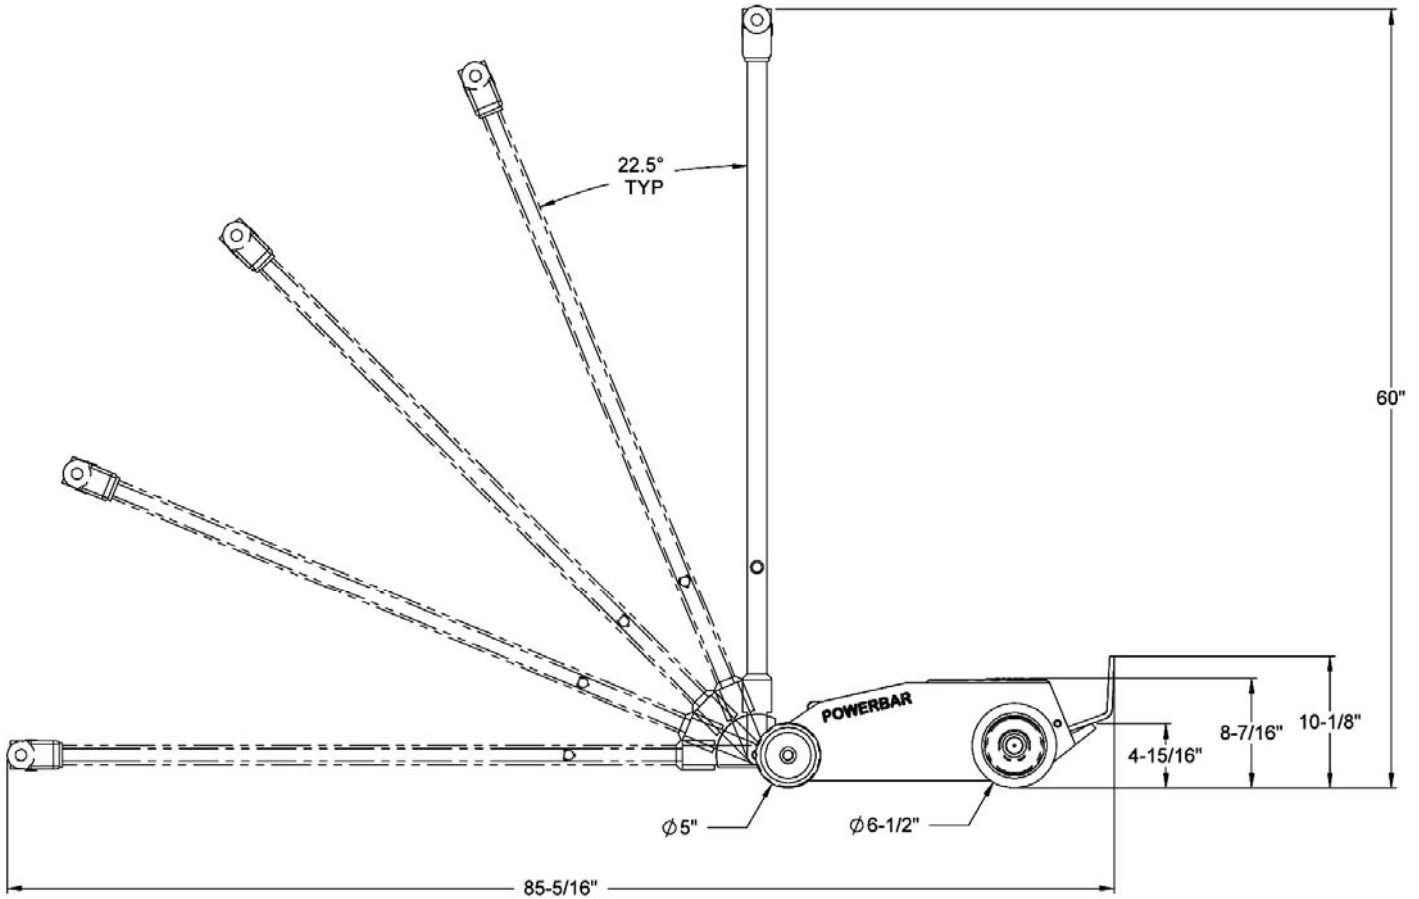

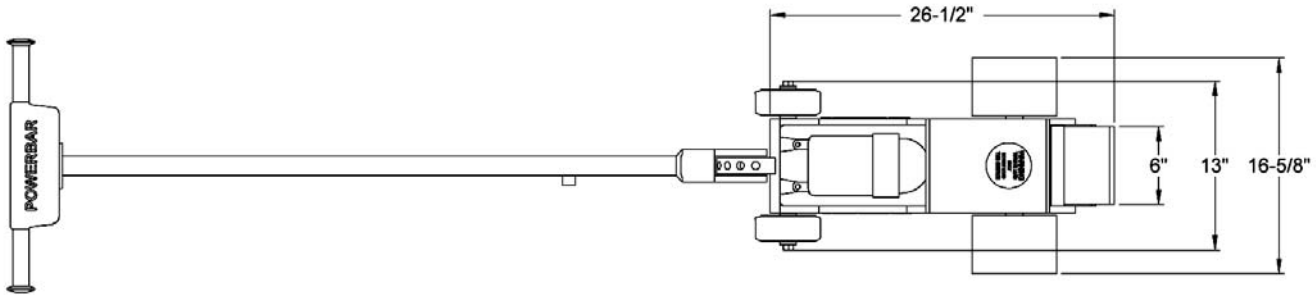

Virtually no preventative maintenance is required.
